

"African Fire Flower"

Quilting On The Waterfront Weekend

March 20th & 21st, 2010

Instructor: Deb Madir

Birch Creek Quilts

www.bcqonline.com

All students are required to purchase their own pattern, "*African Fire Flower*" for class.

Quilt top (only) to be completed in class.

Quilting techniques and suggestions will, however, be discussed and demonstrated.

Fabric Requirements: per pattern

What to Bring To The Class:

2 yards muslin or other foundation-type fabric

30+ cuts or scrap pieces of fabrics to be sewn into the long colorful strips

2 yards of black or other neutral color choice for solid strips

Other Supplies to bring to Class:

Sewing machine in good working order

Basic sewing supplies, scissors, pins

Cotton thread for piecing (gray or other darker neutral)

Freezer Paper or Fusible Web

Rotary cutter

Square ruler 12.5" x 12.5" or larger

Chalk pencil

A Special Request:

Please **do not** wear perfumes, colognes, hairsprays or lotions in class.

Teacher has allergies!

Thank you.

The fabric requirements listed below are for completing the quilt as pictured on the front of this pattern. Fabric amounts are based on 42" wide fabrics. A 1/4" seam allowance is included in all measurements. Always read entire directions before starting.

Fabric Requirements To Complete The Quilt:

(Finished Size: approximately 63.25" x 75.5")

2 yards tone-on-tone black fabric (or another color as a "designated" neutral)

2 yards muslin for foundation piecing

Colorful Strip Panels and Fire Flower Petals:

9" x 18" cuts of at least 30 different brightly-colored or themed fabrics...the more the better!

(This is where your "stash" can really come in handy... however, just make sure your fabric "scraps" are at least 9" wide.)

If you are purchasing new fabrics, buy in 1/4 yard cuts.

1 yard fabric for vine
(strips will be cut on bias)

2 yards fabric for Bottom Border
(this border is designed to be continuous; cut lengthwise)
(1/2 yard, if you don't mind piecing this border)

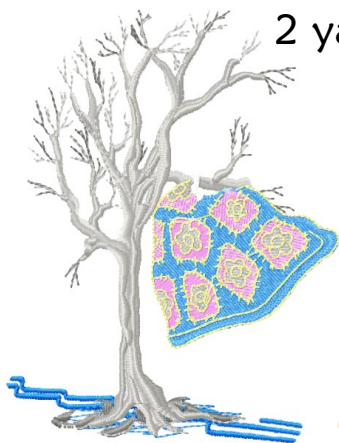

Piping Accent (optional)
2" x 64"

3/4 yard Binding Fabric

4 3/4 yards Backing Fabric

4 3/4 yards Batting

2 yards fusible web, if fusing flower petals

"African Fire Flower" is designed by Deb Madir
