

## **Friday, August 18<sup>th</sup>**

### **Design or Drawing Workshops: Hands-on**

#### **6-hr. workshops:**

D8 ~ Fabulous Feather Quilting for Beginners

Judy Allen

9:00 am – 12:00 noon & 1:00 – 4:00 pm

6 hrs. - \$65

(Skill Level: Beginner)

*Designing class-no machines required*

Have you long admired beautifully feather quilted quilts and wondered, “How did they do that?” If you can trace around a circle or along the edge of a ruler, you can create beautiful designs to fit your quilts...including all types of feathers, plumes, undulating lines, hearts, paisleys, and more. Spend a relaxing day drawing, designing, and learning from the author of “The Art of Feather Quilting”. Supply List provided with confirmation.

#### **2-hr. workshops:**

D4 ~ Basic Drawing for Quilters

Anne Bright

8:00 – 10:00 am

2 hrs. - \$35

(Skill Level: All)

*Drawing class-no machines required*

Let Anne teach you how to draw! Work on building your confidence in drawing for freehand quilting. Start from beginning freehand and move on to designing your own patterns. Learn how to program your mind to expand your freehand repertoire. Add variety to your background fillers and have more fun!

D5 ~ Getting the Most from Your Anne Bright Designs

Anne Bright

2:00 – 4:00 pm

2 hrs. - \$35

(Skill Level: All)

*Drawing class-no machines required*

This class is an introduction to the “new” Anne Bright design companion sets. Learn how to create blocks, borders, and edge-to-edge designs quickly and easily! You’ll really learn the value of the triangle. The handout includes fun design manipulatives. You don’t want to miss this class...you are going to love being a designer!
