D9 ~ Principles and Elements of Art in Quilting

Anne Bright

8:00 – 10:00 am

2 hrs. - \$35

(Skill Level: All)

Design class-no machines required

Learn the rules and guidelines to award-winning quilts! What pleases the eye? Why do some things work and others don't? Gain insight into how you can improve your quilting decisions. Find out the importance of proper balance between variety and harmony and how to get it. The last part of the class will be a guided tour through the beautiful quilts of this show to reinforce what you have learned today.
