D2 ~ Creative Spacing for Curved Cross-hatching

Judy Allen

4:00 – 7:00 pm

3 hrs. - \$35

*No machines required*

(Skill Level: All)

Judy will introduce you to her unique curved cross-hatching technique, for background quilting as well as motif filling, which will liven up the look of your quilts. No straight lines here! Many designs and tools will be shared in this class to help you create your own unique quilting style with curved lines.

Supply List provided with confirmation.
